About Emerald Publishing

Emerald offers a range of products, services and resources that have been developed to support you. We strive to ensure that Emerald content is relevant, high quality and delivered through a simple and intuitive platform. Below are additional offerings that will enhance your Emerald portfolio and add real value to your organization.

eJournal Collections

A leading library of management research

Over 160,000 articles from more than 300 journals by end of 2017, Emerald eJournals combine research rigour with practical relevance to showcase the most relevant topics from the leading thinkers within their field.

eBook Collections

Research at your fingertips

Bringing together over 1,600 eBooks, the Emerald eBook collections are a cost-effective way of instantly expanding library holdings and increasing usage through an award winning platform alongside journals.

Backfiles Collections

Preserving over 100 years of management research online

A lifetime investment for your institution, Emerald Backfiles will significantly enhance your library's offering by providing access to over 125,000 articles from more than 260 journals dating back to 1898.

eCase Collection

Real world business scenarios for the classroom

An annual single subscription provides unlimited access for students and faculty to a growing digital library of over 1500 real world case studies on a wide range of industries spanning the business and management disciplines from across the globe.
