

DEMOGRAPHY

2024 Subscribe to Open (S2O)

Duke University Press | Population Association of America

ISSN: 0070-3370 | e-ISSN: 1533-7790 | Six issues per year

read.dukeupress.edu/demography

Subscribe to Open (S2O) is a business model that uses subscription payments to convert gated access journals to full open access (OA). Subscription fees support overhead publishing costs, and the content will be made fully OA if the funding threshold is met.

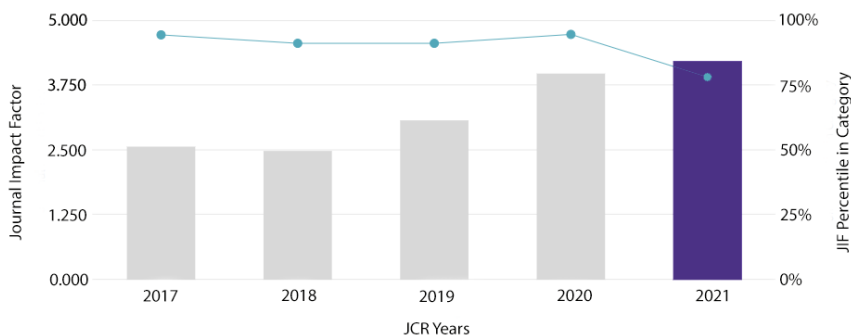

DEMOGRAPHY

Vol. 60 • No. 3 • June 2023

A publication of the
Population Association
of America

- 2021, 2022, 2023 volumes published open access and will remain open.
- 2024 volume to be published through a Subscribe to Open model.
- Subscribers have permanent access to the current year's content and term access to the journal's entire backlist (1964-2020).
- Articles with corresponding authors who are affiliated with S2O-subscribing institutions are guaranteed to be open access in perpetuity.
